2013 MMEW Partners

The year's MMEW field trips saw unprecedented cooperation by the major mining companies on the western Mesabi Range. It takes a lot of staff resources and time to host a group of our size and to allow us the access that they have given us. We are grateful for the time and effort that these companies put into hosting our group.

Cliffs Natural Resources Hibbing Taconite Mine	Magnetation
Essar Steel	US Steel – Keewatin Taconite Mine
Hawkinson Construction	

We also want to thank the public sector agencies who have contributed their staff's time and expertise to this workshop. Their contributions highlight the important role they play in the enhancing the economic vitality and stewarding the mineral resources of the Mesabi Range.

2013 MMEW Lodging Scholarship Donors

In order to make the MMEW as affordable as possible to its participants, three of the major professional organizations promoting environmentally responsible mining in the state have donated funds to buy down the cost of lodging at the Hibbing Park Hotel. Over 40 participants took advantage of this lodging scholarship.
