

After field trip, gather to discuss what was discovered
 Bus with a restroom is a must
 Switch trip leaders on buses each day
 Improve the quality of the field guidebook
 Field trips provide opportunities to bring MN geology to the classroom

Food

Better sandwich choices both days esp. for those at back of bus. Tally day before?
 Food great both days.
 Try to use more re-useable dinnerware (4)
 More fruit and veggies
 Maybe a little healthier snack options
 Less Carb-meals
 Use two lines for meals (3)
 Food was very good

Special Activities & Resources

Like to see optional activities both evenings, more free-wheeling
 Microphones in auditorium (3)
 Resource materials were very much appreciated
 Fun to have lots of door prizes
 Provide walking tours of campus
 Bring back the egg carton samples

Lodging

Continue to get funding for housing. Most school districts don't pay for staff development opportunities
 Low cost accommodations w/food critical factor
 The rooms were great - thanks to those that provided the grant

General

June? Amazing timing!
 Workshops phenomenal-hope to attend for many years
 Involve native American perspective
 Keep it going!! Love it.
 Great 3 days; lodging great too; planning committee did a great job - thank you
 A great and valuable learning experience
 No improvement needed - this was the best MMEW ever
 No suggestions for improvement! This was my first time at MMEW and I was dumbfounded each day with
 the quality of the educational experience. Wow! I would recommend this workshop to any
 science educator! Thank you for a wonderful workshop!
 What an amazing experience. Many thanks to the instructors and organizers
 For a science teacher, this is the best use of my time. Keep it going.
 Thanks for all your hard work.
 Overall, a fantastic experience
 Awesome workshop! Getting out in the field to actually see the geology of SE MN area is invaluable.
 Thanks! I am glad I decided to attend! I plan on going again next year.
 Off the charts!!!
 I think the sponsors are smart - They get great info to great teachers who want to improve!
 Great Job!
 Thank you all so very much. Greatly appreciated everything and all the accommodations. It was terrific, fun, and fantastic
 The workshop was very well planned and ran very smoothly; planners and leaders should be noticed for great work
 WSU was a great place to host the workshop
 Volunteers were helpful
 Thanks for another good workshop
 This is a wonderful workshop that I hope to attend more regularly in the future

Future

Go to Duluth next year
 Set up next year's workshop by using this year's success as a guide
